

## Faucet Style Drinking Water Dispenser

### K-Tap Series

3 Temperature

# Faucet Style Drinking Water Dispenser

**Pure Tech K-Tap Series K95 & K90**

**Pure Tech**  
Drinking Water System  
www.puretech-ent.com

**3 Temperature**

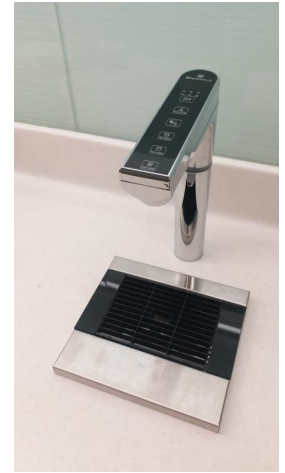

**New Generation - Smarter & Better  
Time to enjoy the new style  
drinking water experience**

## Features:

- \*Stylish Faucet with Electrical Control
- \*Touch Pad to control 3 Temperature Water Choice
- \*LED Display for Temperature Reading
- \*Adopt Japan H5 Scratch Resistant Glass Surface
- \*Hot Water Safety Lock
- \*Safety Water Level Sensor - Heater Protection
- \*Built-in Electricity Overload & Over-Heat Protection
- \*Adopt Patented Ceramic In-Direct Heating Process
- \*Adopt Water Cooled System for Main Unit
- \*Only Simple Cupboard Cutout Required

**IEC** International  
Electrotechnical  
Commission

## Specification:

- |                    |   |
|--------------------|---|
| 1. Water           | - Inlet:6mm (1/4") fitting / Water Pressure Requirement: <60psi     |
| 2. Electrical      | - Hot Power: 1,250W Cold Power: 180W Voltage: 220V                  |
| 3. Water Tank Size | - Hot 10L (K95); Hot 4.5L (K90) / Cold 1.5 L / Ambient >Direct Out  |
| 4. Dimension       | - Main Unit: K95 - W350 x D420 x H410mm; K90 - W270 x D410 x H410mm |

## Others:

1. Faucet Height: Standard Model 250mm / Tall Model 300mm; Desk Top Drain Set is an optional item.
2. External Filtration system is required.
